Everyone loves a pub quiz! This year, **we are inviting our fantastic local pubs to host a pub quiz night for Cransley Hospice Trust!** Could you help us to enable more people to make 'every moment matter' by **raising an amazing £250?** You can hold your quiz at **any time from October 2024 – January 2025**, so there's no excuse not to take part!

To make it as easy as possible to participate, we will provide participating pubs with everything they need to get started, including a **'Quiz Pack' with rounds of questions ready to go, empty belly posters** to advertise your event and even **beer mats** to ensure you can truly spread the word!

We suggest that pubs invite quiz enthusiasts to **participate in teams of at least 4, with a £5 per person entry fee.** The entry fee will be donated to Cransley Hospice Trust, along with any additional donations you are able to raise on the evening. A small prize could be provided by the pub to the winning team.

Following your event, we'll still be on hand to help **celebrate your success** and we're happy to pop by for a **cheque presentation** and say a big thank you to you across our social media channels!

What are you waiting for? **Register your interest NOW** and we'll be in touch to help you organise a pub quiz to remember!
