### **Do Something Amazing and Remember Cransley Hospice Trust**

By leaving a gift in your will to Cransley Hospice Trust, you'll help ensure that compassionate end of life care is available for generations to come. Your kindness today will help provide comfort, dignity, and support to local people and their loved ones in the years ahead.

Visit the website for more information: <https://makeawillonline.co.uk/cransleyhospicetrust>

Every will is carefully checked by a fully qualified solicitor and you can ask legal questions if you need support. The service also includes free access to [Capacity Vault](#), which helps protect your wishes and reduce the risk of any future challenges.

### **When to Make a Will Face to Face**

If you already have a solicitor, or if you'd prefer to speak with one in person, you can of course make your will that way. We particularly recommend this option if your estate exceeds the [inheritance tax](#) threshold, if you have overseas assets, or if your circumstances are complex (such as trusts).

If you're taking medication or have a condition that may affect memory or capacity, it's also best to speak directly with a solicitor. You can find one near you through the [Law Society](#) website.

Please make sure your solicitor includes our full details in your will:

**Charity name:** Cransley Hospice Trust

**Charity number:** 1151018

**Registered address:** Cransley Hospice Trust, St. Mary's Hospital, 77 London Road, Kettering, Northamptonshire NN15 7PW

### **Your Privacy**

When you make a will online, we receive information, such as when a will is made, the type and size of any gift, and your contact details plus your year of birth. Where you provide consent, this allows us to thank you and share updates about the impact of your generosity.

We completely understand that some supporters prefer to leave a gift in confidence. If you'd like to do so, you can use this [make a will online](#) link to make your will privately.

However you decide to remember us, we are deeply grateful for your support. Your kindness will make a lasting difference to local patients and their families.
